### SCHOOL BUS SCHEDULING AND ROUTING

Routes and time schedules shall be determined by the transportation Coordinator or Superintendent's designee.

Every reasonable effort shall be made to locate bus stops at points where pupils can be loaded and discharged with a reasonable degree of safety and convenience with consideration for the age of the pupil.

A parent or guardian who feels that the safety of their child is unreasonably endangered and who cannot reach an accord with the Transportation Coordinator will have the right to file a written appeal to the Director of Business Services of the Bourne Public Schools and the Transportation Issues Committee, and subsequently, to the Superintendent whose determination will be final.
